

**The APEGBC (Association of Professional Engineers and Geoscientists of B.C.)
Northern Branch Annual General Meeting & President's Visit – June 5, 2010 in Smithers, BC**

APEGBC Northern Branch Executive: Back row L to R: Robin Lapointe (Past Chair), Alex Ramos-Espinoza (Treasurer), Mark Allen (Vice Chair), Bruce Sheedy (Member at Large), Front row, L to R: Jamie Malthus (Member at Large) Jonathan Lambert (Secretary), Russ Kingston (APEGBC President), Mark Gravel (Chair), Christopher Houston (Member at Large), Anastasia Ledwon (Member at Large)

The goal of the Northern Branch is to promote community involvement and Engineering in the North. The Annual General Meeting, which included a visit from the APEGBC President, closed off a busy year that included a dinner meeting in Kitimat, featuring a presentation on the electrification of highway 37 project, and a bridge building competition in Prince Rupert. The Northern Branch is planning to host a friends and family barbecue in Terrace in September and a host of new events across the North in the new year.
