

Career Opportunity: Intermediate Civil/Municipal P.Eng.

Lapointe Engineering Ltd. is a multi-disciplinary Consulting Engineering firm that has provided Professional Engineering services to Kitimat and North Western B.C. since 1980.

Our dedicated team of professional engineers, technologists and support staff, consisting of approximately 25 employees, provides a wide range of engineering services to over 700 clients. For additional information on Lapointe Engineering Ltd. please visit our website at www.lapointe-eng.com

We are currently seeking an **Intermediate Civil/Municipal P. Eng.**, registered or eligible for registration with APEGBC. The successful candidate will join our expanding Civil Department and provide Engineering Design and Project Management Services to major industrial clients in Kitimat.

We offer a stable working environment with opportunities for advancement, competitive compensation based on your qualifications and experience, a relocation allowance, and a benefits package.

Kitimat, B.C..... a friendly community of approximately 9000 situated on B.C.'s scenic northwest coast. This area affords a life style that appeals to outdoor enthusiasts who enjoy boating, salt and fresh water fishing, camping, skiing, hiking, hunting and golfing. Three large community facilities incorporate 2 ice arenas, curling, indoor swimming pool, gymnasium, and racquet courts. Education facilities include elementary schools, a high school, Kitimat Valley Institute (Industrial Training) and a Northwest Community College satellite campus. There is a modern hospital and housing is affordable. For additional information on Kitimat see www.visitkitimat.com.

Email your resume in confidence to administration@lapointe-eng.com.

This position will be filled as soon as a suitable candidate is selected. We thank all applicants for their interest; however, only those selected for an interview will be contacted.
